Dear Mr. Fellows:

I want to thank you for attending my State of the State and Budget Message Presentation at Purchase College.

The progress, achievements, and tough choices of the past two years have given us a strong foundation in our efforts to build a new New York, and this year's budget plan continues our commitment to fiscal responsibility and holding the line on spending and taxes. By continuing to invest in job creation, economic development, world-class education, and the rebuilding of our communities, we will ensure a stronger future for our residents and our state.

Thank you again for your support and your ongoing commitment to building a better future for the local region.

Warmest regards.

Sincerely,
